- may not cover all lines presented below

The Metalcutting Solutions that we specialize include Workholding, Toolholders, Cutting Tools, Tooling Storage and Lubricants and Coolants for Milling, Turning, EDM and Grinding Equipment

### **Hold It - Cut It - Cool It**

The products we represent are focused on a specific segment of the metalworking industry primarily between the spindle and table of a milling machine or the turret and spindle of a lathe. Our emphasis is **cutting, holding, and cooling**. This targeted focus encourages us to seek out innovative technologies for process improvement for further machine optimization.
